FOR IMMEDIATE RELEASE

Dryden Community Splash Park Open to the Public

Dryden, ON, August 19, 2022

The Beyak Automotive Group is excited to announce the opening of the Dryden Community Splash Park. After five months of hard work and planning, and a generous donation from the Beyak Automotive Group, the Dryden Community Splash Park is sure to be a hit for children and families for many years to come. The park is officially open as of today, Friday, August 19th, 2022, and will be handed over to the City of Dryden to run and maintain.

“As we open the Dryden Community Splash Park, only a few short months after the idea’s inception, I am proud of the accomplishment and grateful to be surrounded by so many outstanding employees at the Beyak Automotive Group who helped make this happen. The entire organization is responsible for making this major community improvement a reality,” comments Beyak Automotive Group President, Nick Beyak. “I am also grateful to our thousands of customers. Without their strong support over the years, this splash park would not be possible. Lastly, I would like to thank the Staff and Council of the City of Dryden who have contributed greatly to the project’s completion. This park will bring happiness and joy to children and families for many years.”

Representatives from the Beyak Automotive Group, and the City of Dryden were on hand for the Opening Ceremony and Celebration. The Beyak Automotive Group also hosted a free community BBQ and supplied children’s activities for the afternoon.

“These investments and partnerships are very important, and we are most grateful to the Beyak Automotive Group for their substantial donation that not only invests in the City of Dryden, but the health, wellbeing and the enjoyment of our residents and visitors.” said Mayor Greg Wilson.

The splash park will be open daily from 10:30am to 9:00pm daily from Victoria Day long weekend through to September 15th.

The Beyak Automotive Group, comprised of Dryden GM, Sunset Country Ford, Fort Frances GM, Sioux Lookout GM and the Fort Frances Collision Centre, is committed to providing exceptional customer service and employee satisfaction, as well as strong support for the communities where they do business. These commitments have formed the foundation of their success. With over 130 dedicated employees, the Beyak Automotive Group is excited about what the future holds as they continue to serve and invest in the people of Northwestern Ontario.
